Digital Citizenship Curriculum Instruction

All core teachers are **required** to deliver instruction to students using Common Sense Education curriculum materials. These materials can be found below.

You will need to sign into Common Sense Media to access the lesson plans. If you do not have an account, please create one using your EPISD email address. The lessons are hyperlinked for your convenience. The "tinyurl" provided will also take you directly to each lesson.

Finally, fill in the following form to let us know you've completed instruction:
